

LDraw Script Compiler

Latest version: v0.31 Apr 2, 2000

[Download LDS v0.31, 48k .ZIP file](#)

[LDraw Script Syntax Page](#) (sort of instructions)

Don't forget to download [Anders Isaksson's LDS Shell](#) program.

With LDS Shell, you can instantly view the compiled .DAT file with just a click at "Redraw", or hit the **F5** button!
